Travelling to PVS from Brussels (E40)

Merelbeke exit: Turn right.

Turn right. Follow direction EEKLO: over the belt canal's bridge, turn right (70 km/h) and take a 240° turn.

Follow the road alongside the belt canal (max. 90 km/h) for about 20 km. Do not leave this road (do not follow directions to EEKLO). At the first set of traffic lights in Wondelgem: Cross the tramway track.

10 m further, drive through the next set of traffic lights after 50 m pass under a railway bridge after 50 more meters, at the traffic lights, turn right (at the left of this junction, you will see a BRICO and a MC Donalds restaurant.)

One kilometer further, at the next set of traffic lights, just in front of Meulestedebrug, turn left alongside the water, direction Terneuzen.

Follow the curb to the left – you will see EASTMAN on your left hand side and some 300m further the PVS building on your right.

Alternative:

Exit Merelbeke: turn to the right.

Follow the direction 'Gent-zeehaven' and continue on this road for about 15 km until you reach the grain silo's (on your right hand side).

At the traffic lights, turn left, direction GENT.

Following this road, you will pass under a railway bridge after which there are traffic lights. Keep driving straight ahead until you reach a roundabout.

At this roundabout, turn right and continue on this road. After +/- 2 km you will reach Meulestedebrug (bridge). After crossing the bridge, take immediate turn to the right.

About 100 m further on, follow the curb to the left - you will see EASTMAN on your left hand side and some 300m further – between two, blue piperacks over the street - you will see the PVS building on your right.

Travelling to PVS from Antwerp-Kortrijk (E17)

Travelling via the E17 highway, take the exit 'Eeklo-Gent Zeehaven (R4)'.

Follow the R4 until you reach the traffic lights at 'Eurosilo'. Here you take a left turn, direction 'Gent-zeehaven'.

Follow this road, passing under a railway bridge after which there are traffic lights. Keep driving straight ahead until you reach a roundabout.

At this roundabout, take a turn to the right and continue on this road. After +/- 2 km you will reach Meulestedebrug (bridge). After crossing the bridge, you take an immediate turn to the right.

About 100 m further, follow the curb to the left, you will see EASTMAN at your left hand side and some 300 m further – between two, blue piperacks over the street - you will see the PVS building at your right hand side.
